ASSOCIATION MIEUX PRESCRIRE

"To work in all independence, in favour of quality healthcare, first and foremost in the interest of patients (...)" (Article 1 of the Association Mixie Prescrire bylaws)

Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire. Prescrire is published 11 times a year by Association Mieux Prescrire, an independent organisation (N° 11 711 075) under the French law of 1901. Its board members are: Pierre Chirac (President); Séverine Carré-Péraud (Vice President); Antoine Grandvilleneuve (Treasurer); Jean-Marc Moutard (Director); Michel Coletti (General Secretary); Dörte Gunther (Deputy General Secretary).

EDITORIAL STAFF

Members of the Prescrire Editorial Staff aim to declare a yearly absence of conflicts of interest, in accordance with Prescribe's "Non merci..." Charter. Members are free from any interest contrary to Association Mieux Prescrire's objectives (the Charter and the Declaration are available online at en.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers' needs depends upon complex editorial procedures, all initiated and managed by the members of the editorial board who define editorial goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire's subscriber base...). They adopt the internal and external quality control procedures, and edit the final copy. Each draft is submitted, before publication, to a large number of outside reviewers.

Details on how Prescrire's content is produced are available online at the Prescrire in English website (en.prescrire.org) see the "About Prescrire" section, "How we work".
