ASSOCIATION MIEUX PREScrire

"To work, in readiness, in favour of healthcare quality, first and foremost in the interest of patients (...)." (Article 1 of the Association Mieux Prescrire bylaws)

Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire.

Prescrire International is published 11 times a year by Association Mieux Prescrire, a non-profit continuing education organization (N° 11 711 075) under the French law of 1910. Its board members are: Pierre Chirac (President); Séréne Carré-Pétroud (Vice President); Dörte Gunther (Editor); Philippe Mura (General Secretary); Maryline Dufils-Golgon (Deputy General Secretary).

EDITORIAL STAFF

Members of the Prescrire Editorial Staff declare yearly a declaration of absence of conflicts of interest, in accordance with Prescrire’s “Non merci...” Charter. Members are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online at english.prescrire.org). Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorial procedures, all initiated and overseen by the members of Prescrire’s Editorial Staff. Members of the Editorial Staff define editorial goals. They oversee the literature search, the drafting and rewriting of the articles, which were first published in the French journal Prescrire, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base...). They organise internal and external quality control procedures, and edit the final copy of the articles, supervised by a panel of outside reviewers. Details on how Prescrire’s content is produced are available online at the Prescrire International website (english.prescrire.org) see About Prescrire and How we work.
