EDITORIAL STAFF
Members of the Prescrire Editorial Staff aim a yearly declaration of absence of

conflicts of interest, in accordance with Prescrire’s "Non merci..." Charter. Members are free from any inter-

est contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available on-

line at english.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editori-

al procedures, all initiated and overseen by the members of Prescrire’s Editorial Staff. The Editorial Staff define editorial goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s sub-

scriber base). They organize national and external quality control meetings, and edit the final copy. Every draft is submitted, before publication, to a large number of outside reviewers.

Details on how Prescrire’s content is produced are available online at the Prescrire in English website (english.prescrire.org) see the ‘About Prescrire’ section, ‘How we work’.
