ASSOCIATION MIEUX PRESCRIRE

“To work, in all independence, in favour of quality healthcare, first and foremost in the interest of patients (...)” (Article 1 of the Association Mieux Prescrire bylaw)

Association Mieux Prescrire is a monthly journal of selected texts translated from the French journal Prescrire. Prescrire is published 11 times a year by Association Mieux Prescrire, a non-profit organisation (N° 11 711 075) under the French law of 1901. Its board members are: Pierre Chirac (President); Séverine Carré-Péraud (Vice President); Antoine Grandvaillien (Treasurer); Jean-Marc Mollet (Deputy General Secretary); Dörte Gunthert (Deputy General Secretary).

EDITORIAL STAFF

Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s “Non merci...” Charter. Members are free from any interference contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online at english.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorials procedures. The members of the Prescrire Editorial Staff define editorial goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscribers base...). They organize external quality control, and edit the final copy. Each draft is submitted, before publication, to a large number of outside reviewers.

Details on how Prescrire’s content is produced are available online at the Prescrire English website (english.prescrire.org). See the “About Prescrire section, “How we work.”
