**EDITORIAL STAFF:**

Members of the Prescrire Editorial Staff edit a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s “Non merci...” Charter. Member’s fees are free from any interest contrary to Association’s MIPEC objectives (the Charter and the Declaration are available online at [english.prescrire.org](http://english.prescrire.org)).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorial procedures, all initiated and overseen by the members of the Editorial Staff. This section presents the overall editorial goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base...). They ensure the internal and external quality control procedures, and edit the final copy.

**Details on how Prescrire’s content is produced are available online at the Prescrire in English website** [english.prescrire.org](http://english.prescrire.org) see the “About Prescrire” section, “How we work.”
