EDITORIAL STAFF

Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s “Non merci...” Code of Ethics. Changes are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online). They oversee documentary research, the writing and rewriting of texts, and review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscribers base...). They organise internal and external quality control procedures, and edit the final copy. Every draft is subjected to at least a dozen outside reviewers.
