ASSOCIATION MIEUX PRESCRIRE
wishes to work, in all independence, in favour of quality healthcare, first and foremost in the interest of patients [...],” Article 1 of the Association Mieux Prescrire bylaws.
Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire.
Prescrire is published monthly by Association Mieux Prescrire, a non-profit continuing education organisation (N° 11 711 075) under the French law of 1901. Its board members are: Philippe Muré (President); Pierre Chirac (Vice President); Antoine Grandvuillemin (Treasurer); Jean-François Audouard (General Secretary); Clarisse Briand (Deputy General Secretary).

EDITORIAL STAFF
Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s objectives “Non mordi...” Charter. Members are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online at www.prescrire.org).
Publications and reviews that are easy to use and adapted to readers’ needs depend on complex editorial procedures, all initiated and overseen by the Prescrire’s Editorial Staff. They define editorial goals. They oversee documentary research, the writing and rewriting of texts, and review by a panel of outside experts (medical specialists, methodologists and representatives of Prescrire’s subscriber base...). They organise internal and external quality control procedures, and ensure distribution, in small quantities, for solely non-commercial purposes.
Details on how Prescrire’s content is produced are available online at the Prescrire in English site (www.english.prescrire.org): see the ‘About Prescrire’ section, ‘How we work’.
