Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire. Prescrire is published monthly by Association Mieux Prescrire, a non-profit co-operating association (N 11 711 075) under the French law of 1901. Its board members are: Pierre Chirac (President); Séverine Carré-Pétraud (Vice President); Antoine Grandvallemin (Treasurer); Jean-Marc Toupet (General Secretary); Dörte Gunthert (Deputy General Secretary).

**Editorial Staff**
Members of the Prescrire Editorial Staff organize a yearly declaration of absence of conflicts of interest, in accordance with Prescrire's "Non merci..." Charter. Members are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online at line.en.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorial procedures, initiated and supervised by the editorial team and presided over by the editorial staff. These procedures ensure that each text is reviewed by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscribers) and that the review is then submitted to a final panel of experts (specialists, general practitioners, pharmacists). Every draft is submitted, before publication, to a large number of outside reviewers.

Details on how Prescrire’s content is produced are available online at the Prescrire in English website (english.prescrire.org); see the "About Prescrire" section, "How we work."
