EDITORIAL STAFF

Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s "Non merci..." Charter. Members are free from any interest conflicts. The Association Mueux Prescrire’s objectives (the Charter and the Declaration are available on www.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorial procedures, initiated and drawn up by the members of the Editorial Staff, driven by the motivations and goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base…). They organise internal and external quality control procedures, and edit the final copy. Every draft is submitted, before publication, to a large number of outside reviewers.

Details on how Prescrire’s content is produced are available online at the Prescrire in English website (english.prescrire.org) see the "About Prescrire" section, "How we work."
