Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire. Prescrire International is published 11 times a year by Association Mieux Prescrire, a non-profit continuing education organisation (N° 1 711 075) under the French law of 1901. Its board members are: Pierre Chirac (President); Sérène Carrière-Pétrand (Vice-President); Martine Kowanski (Secretary-General); Jean-Christophe Kopp (general practitioner); Philippe Mura (pharmacologist). Members of the Prescrire Editorial Staff define editorial goals. They oversee the literature search, the writing and rewriting of texts, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base), the development of collaborative procedures, and edit the final copy. Every draft is submitted, before publication, to a large number of outside reviewers. Details on how Prescrire’s content is produced are available online at english.prescrire.org. All other uses: permission must be obtained in writing from the publisher. Membre n° 8111.
