ASSOCIATION MIEUX PRESCRIRE

“To work in old age, in favour of quality healthcare, first and foremost in the interest of patients (…)” (Article 1 of the Association Mieux Prescrire by-laws).

Prescrire International is a monthly journal of selected texts translated from the French Journal Prescrire. Prescrire International is published 11 times a year by Association Mieux Prescrire, a non-profit continuing education organisation (N° 1 711 076) under the French law of 1901. Its board members are: Pierre Chirac (President); Séverine Carré-Pétroud (Vice President); Dörte Günther, subeditor (General Secretary); Maryline Dufils-Gelgon (Deputy General Secretary).

EDITORIAL STAFF

Members of the Editorial Staff declare a yearly declaration of absence of conflicts of interest, in accordance with Prescrire’s “Non merc..” Charter. Members are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and the Declaration are available online at english.prescrire.org).

Publishing reliable reviews that are easy to use and adapted to readers’ needs depends upon complex editorial procedures, all initiated and overseen by the members of Prescrire’s Editorial Staff. Members of the Editorial Staff define editorial goals. They oversee the literature search, the writing and rewriting of articles, and the review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base…). They organise internal and external quality control procedures, and edit the final version of articles. Details on how Prescrire’s content is produced are available online at the Prescrire in English website (english.prescrire.org) see About Prescrire and How we work.
