ASSOCIATION MIEX PREScrire
“To work, in all independence, in the interest of quality health care, first and foremost, in the interest of patients [...].” (Article 1 of the Association’s Management By-laws)
Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire. Prescrire is published monthly by Association Mieux Prescrire, a non-profit continuing education organisation (N 11 711 075) under the French law of 1901. Its board members are: Philippe Mura (President); Pierre Chirac (Vice President); Antoine Grandvullien (Treasurer); Jean-François Audouard (General Secretary); Clarisse Briand (Deputy General Secretary).

EDITORIAL STAFF
Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in agreement with the prescribers’ “Non mocor...” Charter. Members are free from any interest contrary to Association Mieux Prescrire’s objectives (the Charter and rules are available online at www.prescrire.org).

PUBLIC reviews are easy to use and adapted to readers’ needs depending upon complex editorial procedures, all initiated and overseen by the Prescrire Editorial Staff. They define editorial goals. They oversee documentary research, the writing and rewriting of texts, and review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire’s subscriber base...). They organize internal and external quality control procedures, and participate in all editorial and publication, to a large number of outside reviewers.

Details on how Prescrire’s content is produced are available online at the Prescrire in English website (www.english.prescrire.org); see the “About Prescrire” section, “How we work.”
