ASSOCIATION MIEUX PRESCRIRE

"to work, in all independence, in the interest of patients [...]," (Article 1 of the Association Mieux Prescrire bylaws).

Prescrire International is a monthly journal of selected texts translated from the French journal Prescrire.

Prescrire is published monthly by Association Mieux Prescrire, a non-profit continuing education organisation (N° 11 711 075) under the French law of 1901. Its board members are: Philippe Mura (President); Pierre Chirac (Vice President); Antoine Grandvuillemin (Treasurer); Jean-François Audouard (General Secretary); Clarisse Briland (Deputy General Secretary).

EDITORIAL STAFF

Members of the Prescrire Editorial Staff sign a yearly declaration of absence of conflicts of interest, in accordance with Prescrire's "Non moci..." Charter. Members are free from any interest contrary to Association Mieux Prescrire's objectives (the Charter and the list of members are available online at www.prescrire.org).

Publicly reliable reviews that are easy to use and adapted to readers' needs depends upon complex editorial procedures, all initiated and overseen by the Editorial Staff. They define editorial goals. They oversee documentary research, the writing and rewriting of texts, and review by a panel of outside experts (medical specialists, methodologists, representatives of Prescrire's subscriber base...). They organise internal and external quality control procedures, and finally oversee the final copy, before publication, to a large number of outside reviewers.

Details on how Prescrire's content is produced are available online at the Prescrire in English page (www.english.prescrire.org): see the 'About Prescrire' section, "How we work."
